THE HULL COLLECTION BY TOM FEREDAY

The Hull lounge is incredibly efficient in both form and construction. A unique framing technique, minimizes materials and increases strength. Constructed from a single sheet of eco plywood the Hull's lozenge shaped form tapers in all directions creating a minimal, slim lounge with subtle curves, ensuring maximum comfort.

With entirely seamless upholstery from every angle, the Hull lounge intelligently avoids any visible zips or fittings.

Designed by Tom Fereday and manufactured by SWISS DESIGN, the Hull range features small and large ottomans, single and double seat lounges with high and low back options. The Hull range is finished in your choice of approved contract fabric or leather and features an optional European cross stitch detail, with the thread available in a limited range of colours.

Minimal, slim lounges with subtle curves, ensuring maximum comfort.

Memory return swivel base, available on single lounges

Contrasting decorative stitching celebrates the soft form of the lounge with elegant and vibrant colours.

The Hull lounge was named after its intricate form, inspired by traditional boat building construction.

The Hull range offers a variety of base options that include, full upholstery or solid timber Walnut, Ash or black stain.

CARE & MAINTENANCE

FABRIC

- Upholstered products such as lounges should be protected from direct sunlight as this may lighten fabric colour
- Vacuum regularly on low suction
- Regularly rotate reversible cushions to allow even fading

LEATHER

- Upholstered products such as lounges should be protected from direct sunlight, direct heat and weather
- Regularly dust with a clean dry duster

POWDER COATED & CHROME STEEL

- Chair and table legs should be wiped down with a soft damp cloth
- Do not use abrasive cleaning products

LAMINATE

- Desks & tables should be cleaned with a soft, damp cloth
- Do not use abrasive cleaning products
- Wipe any liquid spills away quickly
